Nationally Summer born refers to a DoB May-Aug

- Children will be defined as having reached a good level of development at the end of the EYFS if they achieve at least the expected level in:
- the early learning goals in the prime areas of learning (personal, social and emotional development; physical development; and communication and language) and;
 - the early learning goals in the specific areas of mathematics and literacy.
- * The GLD measure will be supported by a measure of the average of the cohort's total point score across all the early learning goals in order to also help to promote the attainment of all children across all the early learning goals.

The EYFSP file submitted contains only those pupils eligible for assessment at this school, and the assessments reflect the final judgements of the EY teacher(s).

I am confident that component level data underpinning the above are an accurate reflection of the characteristics and attainment of our 2015 EY Foundation Stage cohort.
