

Sports Day June 2022

Nursery Blackbird Class

'I like the
running, I
am quick!'

It was the first proper sports day for nursery and what a lovely time it was!
The children practiced their balancing, coordination, running, jumping and throwing. I think the running races were definitely the favoured activity! All the children tried hard and it was a joy to spend some time sharing some nursery fun with parents.

'You have to
wait for
ready,
steady GO!'
