

Welcome to Pride Class

Your teacher is called Mrs Rust and the teaching assistants that will sometimes be working in your class are Mrs Nicky Vowden, Mrs Jenny Delafield and your HLTA is Mrs Louise Curtis.

For the Autumn Term 1 we have so much exciting topics for the children and staff including:

- Magnets and forces
- Plymouth Art
- Local environment
- Creation story

For the Autumn Term 2 we have so much exciting topics for the children and staff including:

- The Stone Age
- Rocks and fossilisation
- Instructions on how to was a woolly mammoth / adventure stories
- Make own standing structures using clay and Stone Age graffiti

PE

Physical activity sessions will be held weekly on a Monday. The children will be taught a range of skills that will continue to develop what they already have been taught.

Home Learning

All learning whilst you are at home can be found on the eschools login on the Beechwood website. Please message us and let us know what you have been learning. The link below may also be useful.

<https://www.bbc.co.uk/bitesize/tags/zmyxxyc/year-3-and-p4-lessons>

Please also remember that your child can develop their skills by TTRS at home, Reading Eggs and Spellodrome on the internet. We have found that the sites are fun and an excellent vehicle

for learning! Children should also be learning their times tables as all children are expected to know each multiplication table (up to 12×12) by heart by the time they reach secondary school.

Class Dojo

We love earning Dojo Points in class. We can earn points for demonstrating our whole school learning behaviours: creativity, curiosity, independence, reflection, resilience and teamwork. Every time we are 'caught' using these learning behaviours we receive a Dojo point from the teachers. We can collect Dojo points to earn rewards. Our Class Dojo is linked to our parents and we can share our learning directly with them

REN Reading

This year, Pride Class are focusing on our reading skills. When the children have completed a book, they can log on to their REN learning area using the link below and complete a quiz about it. The children can also log on a home and complete quizzes. They all have their own user name and passwords. They can show you all of the books they have read and all of the quizzes they have passed

Time Tables

Children should also be learning their times tables as all children are expected to know each multiplication table (up to 12×12) by heart by the time they reach secondary school

Internet Safety

'Parent/Carers - Discovery MAT extends its commitment to E-safety and Online Learning to parents through use of the National Online Safety Platform. If you follow the link below: <http://nationalonlinesafety.com/enrol/beechnwood-primary-school-pl6-6dx> and select parent/carer, you will become part of our parent community on our platform. Once you are a member, you will be able to access a wide range of E-safety CPD and resources designed to further consolidate children's E-safety knowledge. You will also be able to access many 'What Parents Need to Know' guides which provide useful updates about the latest technology.
