

YEAR 2 – Chough and Dove Class.

During the Autumn Term we have covered so many exciting topics. The children have loved learning and have settled in well to life as a Year 2.

Autumn 1 – we learnt about:

- UK Climate
- Weather in our country.

- The countries making the UK and their capital cities.
- Plants and how they grow.
- Creating our own gardens.

Jaxon- We planted some bulbs and watered them to watch them grow.

Jasmine- I learnt that roots anchor a plant into the ground and a stem carries the nutrients around the plant.

In Autumn Term 2 we have focused on Kings and Queens.

- Kings and Queens
- Learning about the Monarchs of Britain through the years
 - Our family tree
 - Money
 - Creating leaflets
- Making power point presentations

Rewar- The Queen was crowned when she was 18 years old. She is now the longest reigning monarch of all time.

Eva- I liked looking at the Queens crown.

Year 2 have had a great start to the year. They have settled in well and have made lots of progress with their learning. We have learnt about place value, money, addition and subtraction and times tables. In English we have written stories, letters, leaflets and retold traditional tales. For PE lessons we have been joined by Mr Coater who has been teaching us basic movements such as jumping , running , skipping and playing team games.
