Summer Reading Challenge 2019

Get ready for an out-of-this-world adventure at your local library – it's Space Chase, the Summer Reading Challenge 2019!

Our super space family, the Rockets, need your help to track down books that have been nabbed by aliens! As you read library books over the summer, collect special stickers and prizes to complete your mission folder. There's a medal for every child that completes the challenge.

Can you find the aliens in time to save the day? Head to the library to start your Space Chase!

The Summer Reading Challenge is aimed at children aged 4 to 12. Those under 4 can take part in the Mini Challenge.

Sign up for the challenge at any Plymouth Library from Saturday 13 July.

We're delighted to be able to support this summer's Fit and Fed programme in partnership with the Plymouth City Council's Sports Development Team and individual clubs and organisations.

Our fully trained school chefs, using our established network of local and regional suppliers, will be providing freshly prepared bagged meals or (dependant on the request from the activity provider) a hot delivered meal using fresh, local and seasonal ingredients which meet the Government standards for school food as a minimum.
