

**Sparrow Class - Spring Term 1**

Throughout this term, the children have immersed themselves in Ancient Rome, the lifestyle, the beliefs, and the entertainment. They've completed their own research and investigations before creating their own Roman chariots and Roman chariot games on Scratch. They have produced outstanding Ancient Roman myth narratives and presented these as beautiful books. They have also gained a lot of knowledge on the digestive system and our teeth with a wonderful visit from local dentists!

“The Roman Gods are the same as the Ancient Greek Gods! Just with different names.”

“Eurgh, I can't believe that's what's inside our bodies!”
