Discovery Newsletter week beginning: 13.4.20

DISCOVERY
Multi Academy Trust

Welcome

This weekly newsletter is somewhat different from previous newsletters. All of our Multi Academy Trust Family Support Workers, Claire, Jenny and Ros are coming together once a week in order to keep in touch and update you on any relevant information.

We would like to start by thanking our amazing parent/carers who are key workers, working hard to support us all.

We would really like your help in participating with our newsletter. We would like you to share your children's art work, family photos, recipes etc. All three of us are also available via email, if you have any worries or queries.

We look forward to receiving your photos and updates and any ideas or information that you would like to share.

Stay safe— Claire, Jenny and Ros

Next weeks challenge: Can you share any photographs of games you play at home as a family or by yourself— paper, board, physical or made up.

Beechwood, Weston Mill and Oakwood schools wanted to pass on a great big Thank you, to the COOP for sending the children an Easter Egg each, that was a lovely surprise for the children returning to school!

RWI Phonics lessons at home

We're streaming three, short Speed Sounds lessons for children to watch at home every weekday on the Ruth Miskin Youtube channel. Each lesson is ten minutes long and available for 24 hours.

Easter Around the world

Germany (Ostermontag) In Germany, people usually celebrate Jesus Christ's resurrection after his crucifixion on Good Friday, according to the Christian Bible. People mark the day by attending special church services, giving gifts and sharing festive meals with family members.

Ireland The celebration begins from Palm Sunday to Good Friday and finally ends on Easter Sunday. After going to church on this day, people seize the opportunity to spend time with family and friends.

United Kingdom Easter is a major religious Christian festival observed throughout the world. While marking the resurrection of Jesus Christ, it also celebrates the spring season. The occasion is celebrated with great joy, zeal and enthusiasm throughout the world and New Zealand is no exception. Easter in New Zealand is known by the Easter bunny.

This is brown as Australia the kangaroo.

The great barrier reef

The coral reef are small creatures at the bottom of the ocean.

The reef is 2300 long!

If you could have any fantasy pet, what would it be and why?

The dragon is very powerful and it can fly. It is very fast and it can breathe fire. I would love to have a dragon as a pet because it is very cool and it can protect me.
