Reach Outdoors trip for Y5 children across Discovery MAT
Date of trip: W/B 19th September 2022

Monday 14th February 2022

Dear Parent/Carer,

EXPRESSION OF INTEREST

We have the exciting opportunity to take Year 5 children (currently in year 4) across the Trust to take part in a camping residential with Reach Outdoors, based in Paignton. The company specialise in the provision of adventurous activities for young people and focus on personal and social development through the activities offered. The children will spend 3 days (2 nights), trying new and adventurous activities. You can see more about the company on their website. www.reach-outdoors.com

We would like to gauge how many children would like to attend this camping residential so we can ensure that the arrangements cater for the number of children who would like to come. The cost of this trip is likely to be around £170 - 190 per child. (Children would be required to provide their own sleeping bag and pillow for this residential.)

Please send the slip below back to school by **Friday 18th February** if you would like to express an interest in your child attending the trip. We will then send out further information and details once we have an indication about how many children would be interested in this residential.

Kind regards,

Mrs T Bailey
Head of School
