

Logging into eSchools using the app

Using the app

1. Search 'eSchools' to find the free app in either the Apple App Store (iPhone) or Google Play Store (Android). Alternatively click on the link from your eSchools dashboard (when logged in) to download the app
2. Enter your details:
School Name (for app): beechwood-primary-academy.eschools.co.uk
Login details: Your username and password (the same as those detailed above)
3. Within the app you'll be able to view relevant information as well as receive notifications on the go
4. Ensure notifications are turned on within your phone settings, so you do not miss any important updates

How this should look:

Please type Beechwood's school name as you see here (dashes must be within the username for our school to be recognised).

Type your username – ensuring there is a dot between forename and surname e.g. fred.turner (if your name has an apostrophe please try logging in using both with and without the apostrophe).

Password as detailed on your slip.

If you experience any issues, please contact your class teacher who can reset your password.

Thank you for your patience whilst using eSchools!
