

# Yr 6 Learning Journey—Term 2

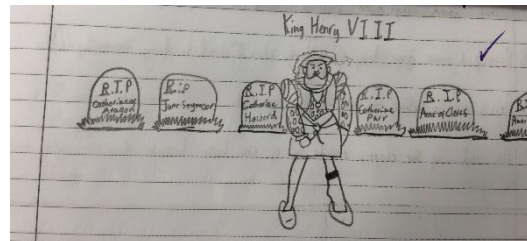

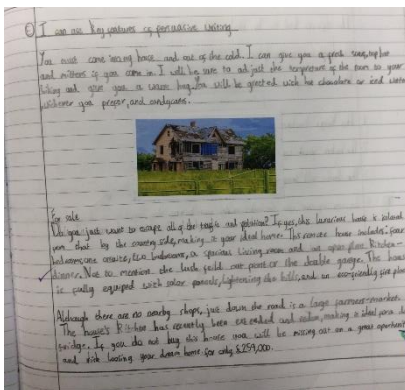

During Autumn Term 2, the year 6 children have followed the journey of life as a Tudor. This has included:

- Henry VIII and what life would have been like at Hampton Court
- Tudor Plymouth
- Henry VIII's wives and the birth of the Church of England
- portraits of Henry VIII using various artistic techniques
- exploring Greensleeves and writing a modern version of the lyrics
- investigating electricity in science.

We loved learning the rhyme to remember what happened to Henry VIII's wives.

It was great to design our own Tudor design and complete our print
