

"I really enjoyed making the lamingtons. It was difficult, but we worked together as a team to make them."

Wren class spring term

"It was so much fun making our artwork. I really enjoyed making the animal prints."

Throughout this term Wren class have immersed themselves in the topic of Australia. We kicked off the term with a trip to the box to analyse the Aboriginal art which inspired their own art work. We have worked hard in Science classifying Australian animals and completing a local habitat study. In DT, we have researched, designed and baked lamingtons during our own great Beechwood bake off. In English, we have been writing our own diaries from the perspective of the boy in 'Where the forest meets the sea.' They have been able to put all of their learning together in the form of a collaborative class flap book.
