## 12th July 2019

### GOBLIN GO-KART

Last week, a group of year 6 children travelled to Predannack Airfield in Cornwall. This involved a very early start – we left school at 5.30am to make sure we were there in time for the start.

These children have been working hard for months to build and design their go-karts, ready to race them at the event. They were lucky to have support from Babcock, so were able to work with real engineers! They took part in different races. There was the drag, slalom and the lap of champions.

The weather was fantastic and the children really enjoyed the event. There were also prizes for the teamwork and the best designed go-kart.

### MOUNT EDGCUMBE - YEAR 6

On Wednesday, Year 6 went to Mount Edgcumbe for the day with 250 other Year 6 children from across Plymouth to take part in a range of different team building and outdoor education lessons.

These included:- creating beach art, orienteering, frisbee golf, archery and parachute games. It was a great day and everyone joined in enthusiastically with events.

The children had the chance to meet up with friends they made during their transition days to secondary school over the past couple of months.

Well done Year 6, we are proud of the way you represented our school.

**Don't forget** to look out for more photos from the Year 6 Prom / Woodlands Day Out, which will be sent out early next week.

**PROM PHOTO'S** will be uploaded by our professional photographer very soon to :-

## Dans La forêt

This week, we were lucky enough to have a special performance from a visiting French brass band. The show, "Dans la Forêt" is based on the French nursery rhyme "Une Souris Verte". The children throughout the school have learnt the song so they were able to sing along. The weather was perfect and there was a festival atmosphere as the children enjoyed the performance. Beechwood's very own brass players participated and played with the band which was very impressive!

Playing with the band made me feel happy and excited because all the school could see that some of us had learnt to play an instrument. *Morgan*

The performance was fun and exciting even though we were nervous at the beginning. *Ellie and Amelia*

I found it a bit weird because the animals were hiding so I was surprised to see them. *Ollie*

The music was lovely to dance to. *Mieszko*

I was inspired by all of the different characters that told a story with music. *Mia*

## NEW CHICKEN COOP

The Edison Centre would like to thank Mylo's Grandad for the amazing chicken coop he has made for our feathered friends.

They are going to love it!
