Wednesday 5th January 2022

Dear Parents and Carers,

Happy New Year! I hope you had a peaceful Christmas break and a chance to rest and spend time with family and friends. I am so looking forward to a new term, the evenings will start to get lighter as we head towards Spring and we can look forward to the warmer months. In assembly we will be talking about letting go and new beginnings, celebrating the successes of the last year and looking forward to 2022.

Parents Evenings

I am aware that there have been some issues booking onto Parents Evenings. You will need to log in as a parent to do this, not a child.

We are sending home new log in details today with your child. It is easier to download the eSchools App from your app store, log in using the details, then you will be able to book onto the Parents Evening.

If you already know your details, we will have reset your PIN. The letter will detail the new PIN and you can reset it back to the old one if you prefer.

This link has the Help for booking Parents Evenings on eSchools.
[Parents: Parents Evening \(eschools.co.uk\)](https://www.eschools.co.uk/parents/parents-evening)

If you prefer, you may call the office, after 10am, and the office staff will book your Parents Evening for you.

We will continue to use this system to book Parents Evenings in the future, so please do save your details safely.

Contractors on Site

We are having some new fencing installed around the Nursery and Reception area and the wild garden. Please ensure that you are vigilant around the work areas. The contractors are used to working in schools and will work with us to ensure that the opportunities for the children are not affected. This is an exciting development that will greatly improve the facilities for our children.

Kind regards,

Tamsin Bailey
Head of School
