

Nightingale Class

Spring Term 1

Learning Journey and Destination

This term Nightingale class have been looking at the Victorians and the industrial Revolution. They have focused on the importance of the potato, conditions in workhouses and start of the Industrial Revolution within the British Empire. In Art they have completed paintings of Plymouth in the style of Lowry and got to make a potato dish and a Victorian Sponge cake. In English the children have written a Victorian story and an information text, sharing all the knowledge and understanding they have learnt.
