Tues 24th Nov	Flu Vaccination Programme R - Y6
Fri 27th Nov	Non Pupil Day
Fri 18th Dec	Last Day of Term

ADVENTURE ZONE BOOK

A number of children from Beechwood Primary Academy entered a writing competition earlier this year. They were tasked with writing an adventure story. A number of children from our school have been successful in the competition and have now had their work published.

If your child entered the competition we will be in contact with you shortly to inform you whether your child's work was published. A fantastic achievement for all those who entered. Well done!

Beechwood Primary Academy Nursery

Now enrolling children for September 2020

Beechwood Primary Academy

 work on
 money.

This week Year 4 listened to some evocative Brazilian music. They drew pictures of the scenes their imagination took them to while they were listening, then used their fantastic writing skills to describe the setting. Oribim has been developing her computer skills too and drew this sunset scene on her iPad!

The Mystical sunset

Misty carefully followed the trail of light. It reminded her about glass shards. In her tracks, she stopped. Her breath was taken. All she could do was to stand there in awe. "Whoa" she breathed, breaking the silence. "It's beautiful" she said, for a sunset lay before her eyes. Something with such Radiant beauty had a dark secret behind it. Suddenly a bright light shone, which caused Misty to walk even closer. She took off her shoes and let her feet sink into the hot and dry sand. She dodged a coconut from a palm tree. As it hit the ground the liquid came out. The wind started howling, then into whispers, then a scream. Misty still carried on walking. This sunset had some sort of magical attraction, like a fly attracted to a flame. The wind started howling. Unexpectedly, the light trail stopped. The

EYFS - Using cubes to measure and compare -
 The children had different size feet to cut out. They had to measure them using cubes and then found which superhero the footprint belonged to by matching up the sizes.

We did not have any suggestions in the ideas and suggestions box this week.

*Have a great Weekend
 Mrs Evans - Head of School*
