COVID TESTING - CALL 119

If parents or carers are unable to book a local Covid test slot, then they can use the email below explaining that the test is for a child attending a Plymouth school. The CCG team will triage those families with children and adults with symptoms and book them in for a test and provide information on how to get to the site. A priority is given to key worker parents, to help support the local key worker workforce and get staff back to work.
